Deccan International School provides an empowering learning environment that nurtures empathy and inquiry in students, enabling them to excel in an ever-changing world.

ABOUT

Deccan International School is a co-educational institution that is centrally located in South Bengaluru. Founded in 2003 and headed by Mr. K. N. Tilak Kumar of Deccan Herald – Prajavani, our school is run by the K.N. Guruswami Educational and Charitable Trust. It is affiliated to the Council for the Indian School Certificate Examinations, New Delhi & Cambridge Assessment International Education, UK.

Our school extends over an expansive 10 acre campus, designed with a view to offering our students a host of facilities under one roof. While “ Education in its holistic form ” is the pivot around which the functioning of our school revolves, our more specific goals are:

- To nurture the desire for life-long learning and augment the innate curiosity in each child
- To curate the passions of each child, helping him flourish in his unique and creative ways
- To enable the child to face academic challenges & excel without pressure
- To inspire in children a love for nature, art, sports & culture
- To offer a diverse and agile curriculum that will enable children to meaningfully contribute to society

CURRICULA

Following a common curriculum up to Grade 6, Deccan International School offers students a choice of curricula –

- **Indian Certificate of Secondary Education (ICSE)**
For Grades 7-10 prescribed by the Council for the Indian School Certificate Examinations, New Delhi – (CISCE)
- **International General Certificate of Secondary Education (IGCSE)**
For Grades 7–10 prescribed by Cambridge International, UK
- **Indian School Certificate (ISC)** for Grades 11 and 12 prescribed by the Council for the Indian School Certificate Examination, New Delhi – (CISCE)
- **Cambridge International AS and A Levels** for Grades 11 and 12 prescribed by Cambridge International, UK

INFRASTRUCTURE & FACILITIES

A great ambience has been created with utmost care in order to impart a multi-faceted education to our students. The open space all around the school is filled with plants and other greenery, creating a tranquil yet invigorating atmosphere for learning. Our modern teaching methodologies and computer-aided curriculum promote independent thinking and create technological proficiency in our students.
